U.S. SALES REPRESENTATIVES

COME SHAPE THE (VIRTUAL) FUTURE OF WORK

FL-simulators is a Belgian-American company established in 2015 after inventing the world's first virtual reality forklift-simulator. www.forklift-simulator.com

Our VR simulators and products are already used by more than 100 institutions and companies worldwide to screen, train and inspire their workforce. (e.g. Pepsico, BMW, Toyota, DHL, Forem, VDAB, US Air Force,...)

Play hard, work smart. This is just the start. Ready player one...

WHY FL-SIMULATORS

FL-Simulators is the global reference when it comes to virtual reality simulation for the logistics industry and is looking to expand to verticals.

We are looking for (2) U.S. Sales Representatives with a successful track record. (West and East coast)

Our current growth is fueled by the accelerated adoption of Virtual Reality to screen and train the workforce. As a scale-up we offer the opportunity to grow along with us.

We are open to a remote working arrangement if that is preferred with occasional visits to the corporate office after an initial training period.

Be at fore-front in one of the hottest tech fields, virtual reality, while making people's jobs in the booming logistics industry more safe and exciting.

QUALIFICATIONS

- Have integrity and a four-year college degree.
- Possess a proven track record of success selling to large corporations.
- Enjoy "hunting" as much as they do "farming".
- Enjoy friendly competition.
- Be comfortable developing business on the telephone.
- Travel to all corners of the states
- Facilitate demo's and onboardings.

BONUS

- Fluent at Spanish
- Being an avid gamer or forklift-driver :)
